ANNOUNCEMENT OF FIRST INTERIM DIVIDEND

The board of Communications Fiji Ltd (CFM) has announced first interim dividend of 5 cents per share following a six months review ending 30th June, 2014 and third quarter result for the financial year 2014. Chairman, Matt Wilson said the company's Fiji operations are performing strongly and it expects to deliver a record result for the year.

"CFM in Fiji enjoyed strong advertising growth in the third quarter largely from election related advertising," he said. "This added to what has been generally a very positive year in Fiji."

Mr Wilson said CFM's Papua New Guinea subsidiary, PNG FM LTD, is on track to deliver, as forecast, a similar result to 2013. "As we previously informed the market, our focus in PNG over the last two years has been on consolidation. With the approach of our 20th anniversary (November 14th 2014) of operations in PNG, the management team at PNG FM is now stronger than ever and we look forward to a very good 2015".

At Paradise Cinemas LTD (PNG FM LTD 41.67% shareholding) operations at the company's second cinema complex at Waigani are now into their fifth month and the team is working hard to develop this new market.

"This is proving challenging," said Mr Wilson. "It is not unlike the process we experienced at the company's first complex at Vision City". "We expect losses to increase for 2014 as a result of the costs of the new development, and its start-up phase, but remain positive about the prospects for 2015 and the long term success of Paradise Cinemas."

The 5 cents dividend will go ex benefit on November 25th, the registry will close December 3rd and the dividend will be paid out December 11th 2014.
