COMMUNICATIONS FIJI LTD

fijivillage.com FREE all over the world!

Fiji's most accessed news website, (measured by Alexa.com), **fijivillage.com** announced today that it is opening up **FREE** access to the site to users globally.

Previously **fijivillage.com** was available to domestic Fijian users free but required anyone accessing the site from outside of Fiji to pay an annual subscription.

Speaking on behalf of parent company Communications Fiji Ltd, Executive Chairman William Parkinson said this was exciting news. "Fijivillage.com already attracts over 2 million users per month and is Fiji's number one news website and that's with restrictions in place! We are excited by the potential of **fijivillage.com**. We believe this will be our fastest growing revenue center in the future".

fijivillage.com manager and CFL news Editor, Vijay Narayan said this was just the start. "We saw massive growth in user numbers last year in the lead up to the elections and we have maintained this activity into 2019. We are in the process of finalizing phone applications and expect to launch these soon.....**STAY CONNECTED**".
