FijiCare Insurance Limited recognized as the “Innovator of the Year”

At the South Pacific Stock Exchange (SPX) Annual Awards 2019

FijiCare Insurance Limited is honored to be awarded the “Innovator of the Year” Spotlight Award by the South Pacific Stock Exchange (SPX) at the SPX Annual Awards 2019 on Friday, 13th September, 2019.

Over the last 18 months, FijiCare Insurance Limited has introduced innovative insurance products and has made continuous investments in technology.

In partnership with the Fijian Government and Pacific Island Inclusion Program (PFIP), FijiCare’s bundled microinsurance is the first of its kind in the Pacific. This innovative program is designed to provide affordable insurance cover for low income earners.

Increased investments into its Management Information Systems and IT infrastructure has enabled FijiCare Insurance Limited to digitalize and improve operational efficiency. These investments will enable FijiCare Insurance Limited to grow and scale our business as well as expand our regional footprint.

FijiCare Insurance Limited has also recently launched the Pacific’s first insurance mobile app and has enhanced its website, improving our profile with current and prospective customers.

FijiCare Insurance Limited will continue to be a pioneer in the insurance industry, utilizing the latest digital technologies and innovations to grow and diversify our business.
