FijiCare Insurance Limited is a Proud Sponsor of the Government of Fiji's **careFIJI** Contact Tracing App

FijiCare Insurance Limited is a proud sponsor of the Government of Fiji's **careFIJI** contact tracing app in response to the COVID-19 pandemic. FijiCare worked closely with digitalFIJI team of the Ministry of Communications as well as with software development partner, Solutions Studio, on the localisation of the **careFIJI** contact tracing app and will support the ongoing awareness campaign.

FijiCare's support of the **careFIJI** contact tracing app is a continuation of our commitment to help Fijians in these uncertain times.

Contact tracing helps to protect ourselves and our families, by alerting them early should they have come into contact with someone with COVID-19 so they can take the necessary precautions. The **careFIJI** contact tracing app allows for faster notification and it means more timely care, allowing us to safeguard those around us.

FijiCare believes that digital innovation can support us in the fight against COVID-19. FijiCare is the first and only insurance company in Fiji to create a mobile app for its policy holders. Our leading-edge digital platform enables FijiCare policy holders to have online access to their policy information, claims history, updates and their

Insurance eCard. In response to the COVID-19 lockdowns, FijiCare released new improved features on its mobile app to allow policyholders to remotely lodge claims.

In partnership with the Government of Fiji and Pacific Island Financial Inclusion Program (PFIP), FijiCare provides bundled microinsurance for the social welfare recipients and civil servants. Bundled microinsurance is also provided to sugar cane farmers, dairy farmers and others.

FijiCare wishes you and your families good health in these uncertain times. Let's support one another to live life normally and safely.
