MARKET ANNOUNCEMENT

SUBJECT - RE: CORONA VIRUS OUTBREAK

In response to the outbreak of the novel coronavirus 2019 (COVID-19) in many countries, Pleass Global Limited has enacted our risk management procedures and actions as follows.

Pleass Global wishes to ensure that it continues to supply premium waters of distinct quality to our customers and to that end the following matters have been considered and addressed.

Pleass Global has, through careful planning and investment, enhanced its supply chain with adequate raw materials to cater for all our customers' needs for the months ahead. Additionally, we are working with various shipping lines to ensure deliveries are timely and unhindered.

Pleass is continually monitoring the situation of the impact on the business, from a health and economic perspective and taking remedial actions wherever possible.

As a highly accredited food manufacturer we constantly monitor staff for any form of transmissible infection and hand hygiene is a critical part of our quality systems however we have increased health monitoring, surveillance of hygiene practices and the like to ensure health of our people and exceed compliance requirements for product safety.

We have cancelled all travel to affected countries and will monitor staff and visitors who may have travelled for a complete disclosure of their travel history.

We have carefully planned various scenarios for the operation of the business should an outbreak reach the shores of Fiji and feel confident we are as well prepared for such an eventuality as we can be.

Pleass Global Limited is committed to acting with expediency to ensure business continuity and mitigate risks to the people we employ and interact with to ensure we can continue to deliver to our customer on time and in full our stable of premium Natural Artesian Waters; AquaSafe® and VaiWai®. We thank our valued customers for their continued support and assure you of our efforts to ensure we support your requirements.

End of announcement.
