Delay in Release of 2019 Annual Report

The Board of VBH wishes to advise the market in regards to the delay in the release of the 2019 Annual Report. The crisis of Covid- 19 led to the government and health officials putting in place measures of movement restrictions and lockdown of the Lautoka and Suva areas.

This had affected VBH and Auditors in attending to the completion and thus resulted in the delay in finalization of the 2019 Annual Report.

However, majority of the work has been done and the team is currently working on the final stages to deliver the annual report soon as.

At this stage the management anticipates the report to be released by the end of May 2020.

Further to the above,the SPX has granted an extension of two months to all listed entities to lodge the respective annual report copies by 30th June 2020.
