MARKET ANNOUNCEMENT

PLEASS GLOBAL LIMITED PROVIDING LAND AND SUPPORT FOR EMPLOYEES FOR FARMING.

Being cognisant of the financial difficulty being experienced by some of our employees and their extended families during this period of economic downturn Pleass Global leadership has initiated a farming programme for our employees. Pleass Global is providing staff with transport, tools, organic compost, and seeds to assist with crop raising. It is pleasing to see several employees have subscribed to the programme and the crops are growing. Pleass Global holds a parcel of some 420 acres of freehold land and the areas being farmed have rich soil but don't impact the pristine rainforest precincts.

End of announcement.
