COMPANY BACKGROUND

RCF's business is grading, packing and selling rice which is a staple food for many households. It began operations in 1996 and has developed a highly efficient processing line using fully automated machinery. The company has installed a rice sorter in the processing line to remove any foreign particles and unwanted bits and pieces so that every bag of rice is safe and of top quality. It is this superior quality that gives the company its competitive edge. RCF has four varieties of rice that cover most preferences and recipe requirements; Calrose medium grain rice, Australian long grain rice, Thai/Vietnamese long grain rice and the fragrant Jasmine rice.
