PDM ANNOUNCES RESIGNATION OF NIGEL SKEGGS AS A BOARD DIRECTOR

The Chairman of the Board, David Skeggs, today announced the resignation of Nigel Skeggs from the Board of Port Denarau Marina Limited with immediate effect.

Nigel served the Company for 14 years in various capacities as Managing Director, Chief Executive Officer, Consultant and Board Director. Nigel helped build the Port Denarau Marina from the ground up and he can stand proud of what it is today.

The Board acknowledges with gratitude the hard work and outstanding contribution towards the success of the marina. Nigel Skeggs and family will be departing Fiji soon to return to New Zealand. We wish him and the family all the best.

Yours faithfully,

Director *DG Skeggs*

Company Secretary

About Port Denarau Marina Limited

Established in 1999, Port Denarau Marina Limited owns and operates a world-class multi-use marina facility on Denarau Island in Nadi. It strives to be the leading marina facility in the Pacific, providing exceptional customer service with safe and healthy facilities, ensuring the enhancement of Fiji's nautical tourism industry while protecting her distinct marine environment for future generations. Port Denarau Marina is a publicly listed company on the South Pacific Stock Exchange (SPX) under code PDM.
