### COMPANY BACKGROUND

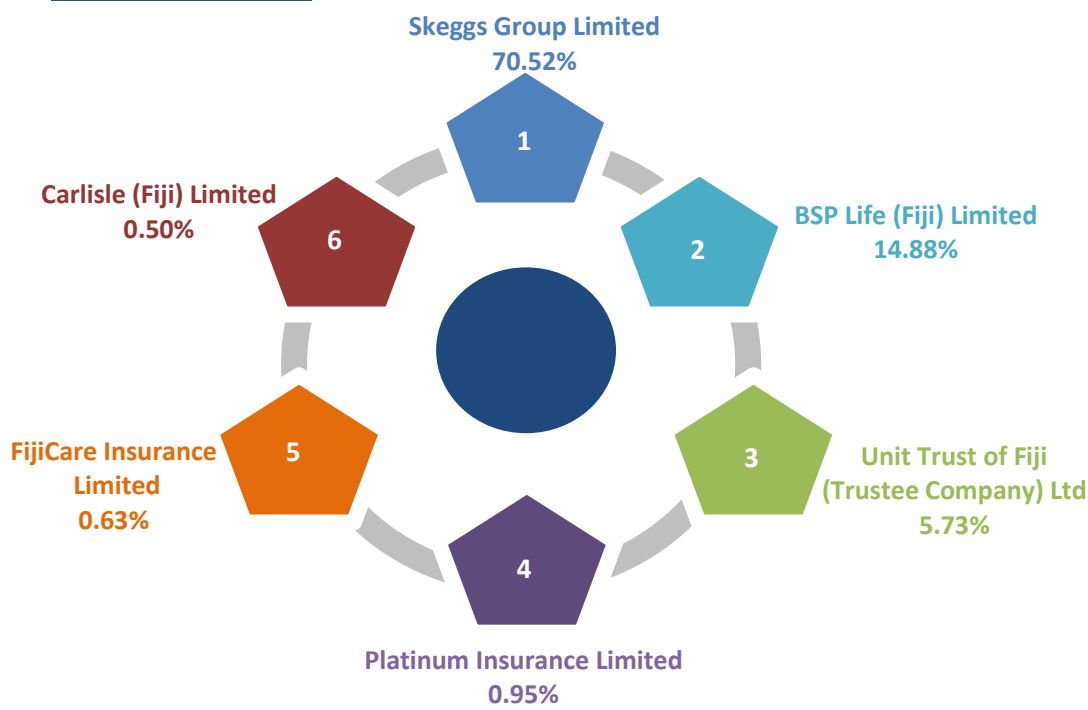

Established in 1999, the company owns and operates a world-class multi-use marina facility on Denarau Island in Nadi. It strives to be the leading marina facility in the Pacific, providing exceptional customer service with safe and healthy facilities, ensuring the enhancement of Fiji's nautical tourism industry while protecting her distinct marine environment for future generation. PDM is ideally positioned to provide a stopover for rest, recreation and provisioning during cruising of the Fijian Islands. The fast-developing marina complex is the centre of yachting activity in Fiji, it is accessed through a well-marked channel that is 5 metres deep at zero tide and also the marina is well protected from all weather. The basin contains 52 fully serviced berths and 16 swing moorings including 20 berths capable of taking Superyachts up to 85 metres in length with 5 metres draft.

### UPDATE ON BLUE LANES INITIATIVE

The Blue Lanes initiative was launched by the Prime Minister in June 2020, a first step towards economic recovery. The initiative has seen a heightened interest from foreign flagged vessels to escape borders under lockdown and bask in the Fijian archipelago.

Total number of vessels to have cleared to date is 92 with 11 superyachts

Total number of people to clear is 324

Approximately \$5 - \$8 million has been contributed to the Fijian economy from the Blue Lanes Initiative
