Number of securities traded
5 securities

Number of trades
18 trades

Volume traded
7,841 shares

Value traded
\$19,187

SPX EQUAL WEIGHTED PRICE INDEX (EWPI)

OVERALL MARKET COMMENTARY

- ✕ This week the SPX e-trading platform recorded 18 transactions with an aggregate volume of 7,841 shares and a value of \$19,187 in 5 listed securities.
- ✕ The market capitalisation for this week recorded a fall of 0.61% and concluded at \$3.21 billion owing to the negative share price movements recorded for Kontiki Finance Limited (KFL), Fijian Holdings Limited (FHL) and Vision Investments Limited (VIL). However, positive share price returns were noted for Toyota Tsusho (South Sea) Limited (TTS) and BSP Convertible Notes Limited (BCN). Further, the additional quotation of 39,481 shares by Pleass Global Limited (PBP) as part of its Dividend Reinvestment Plan negated the fall in market value to some extent as well.
- ✕ The SPX Total Return Index (STRI) for the week recorded a decrease of 0.61% (-46.02 points) while the Equal Weighted Price Index (EWPI), which weighs all listed entities equally, declined by 0.10% (-5.07 points).
