MARKET ANNOUNCEMENT
(For Immediate Release)

Time Extension Notice
Annual Audited Accounts for the Year Ended 31 March 2021

Toyota Tsusho (South Sea) Limited wishes to update the market on the release of TTS's Group audited accounts for the 2021 financial year.

The individual audits for the subsidiaries and Group audit are largely complete and the board are currently working on reviewing the audited accounts.

The recent lockdowns and restrictions imposed as part of the Government's protective measures to reduce the spread of COVID-19 and keep our communities and workplaces safe, together with COVID-19 restrictions, have impacted TTS's finalisation of the 2021 financial statements.

At this stage management anticipates the audited financial statements of the TTS Group will be released to the market no later than 30 July 2021.

The revised timeframe is in line with the general extension granted to listed companies by SPX, under the COVID-19 Regulatory Relief for SPX Listed Entities, which was announced in June 2021.
