### MARKET ANNOUNCEMENT

#### - Air New Zealand Charter Flight

Further to the market announcement on 16 August 2021, FBL wishes to announce that the Air NZ charter flight successfully arrived in to Nadi at midday yesterday carrying 52 students, 2 Fijians and 3 JICA staff.

Chief Operating Officer, Mereseini Baleilevuka said, “This has always been the low season for our business from the Japanese market which we expect to pick up towards the end of the year. The students will spend their 14-day quarantine at the Nalagi Hotel and undergo 3 mandatory PCR tests during this time. Online classes will also be offered to students whilst in quarantine as well.”

We are grateful to the Government, its relevant ministries, and departments for their assistance in ensuring the necessary approvals were issued in time for our students.

FBL will continue to work with its stakeholders to market Fiji as a destination to study abroad and continue to welcome international students in a bid to help the economy boost its foreign earnings on our way to economic recovery.
