For Public Release

### FTV Announces Analogue Transmitter Shutdown

**29<sup>th</sup> November 2021, Suva, Fiji** – Fiji Television Limited wishes to announce and inform that our analogue free to air television transmitter in Tamavua, Suva, and Sabeto in Nadi will be shut down from Wednesday, 01<sup>st</sup> December, 2021.

This is in accordance with correspondence from the Ministry of Communications and is in line with Phase One of the government's planned switch-over process from analogue to digital television. (Walesi)

Viewers in these areas will now only be able to access Fiji One TV signal via a Walesi set-top box connected to your home television set with a UHF antenna or through the Walesi app or via Walesi satellite dish connected to the set top box:

ZONE	AREAS AFFECTED
Central & Eastern Division	Pacific Harbour, parts of Beqa, Navua, Naboro, Wainadoi, Lami, Delainavesi, Suva (all areas), Nasinu (all areas), Nausori (all areas), parts of Korovou and Natovi, parts of Ovalau, parts of Koro, parts of Batiki and Moturiki,
Western	Nadi (all areas), Lautoka (all areas), parts of Ba, parts of Mamanuca and Yasawa and parts of the Coral Coast
Kadavu	Vunisea and surrounding areas

**All free to air viewers can access Fiji One on Virtual Channel 2 on the Walesi Digital Television platform.**

Fiji One viewers in Ba and Vanua Levu will continue to access Fiji One via the analogue platform, we strongly advised to switch over to Walesi for digital television viewing experience.

Fiji Television Limited sincerely thanks and immensely appreciates all our Fiji One viewers and clients who have remained loyal to our brand for the past 30 years.
