**ASCO MOTORS DONATES TO UNICEF PACIFIC FOR HUMANITARIAN RESPONSE IN TONGA**

In collaboration with its parent company and our sister company in PNG, Toyota Tsusho (South Sea) Ltd, donated AUD20,000 to support UNICEF Pacific in its aid work in Tonga following the volcanic eruption in January.

This support will assist UNICEF in its initiatives, including providing families with clean drinking water, providing hygiene kits, providing health kits, and psychological first aid.

Asco Motors Fiji Acting CEO & Company Secretary, Mr Ronald Kumar, highlighted the need for solidarity with our neighbours, “ Asco Motors Fiji stands with our Tongan families during these tough times, and we are saddened by the devastation caused by the volcanic eruption. It is our prayer that this donation will help elevate some of the effects in a small way.”

Asco Motors Fiji wanted to reach out and assist as many families as possible. It chose to work with UNICEF because of its impressive record of reaching out to all communities in the Pacific.

Sincerely
