**FIJI SPORTS AWARDS RECEIVES BOOST FROM ASCO MOTORS**

Asco Motors wishes to announce that it will continue supporting the Fiji Sports Awards. The company will sponsor the team of the year category award at this year's award ceremony. This marks the second occasion that the company has supported this category, which recognizes the outstanding achievements of Fiji's top teams in various sports.

The annual Fiji Sports Awards, staged in the first quarter of each calendar year, acknowledges sports' important role in developing our nations. It focuses on Fiji's sporting industry in acknowledging sport's most unique, influential and inspirational personalities and is the only national award dedicated to recognizing excellence in Fijian sports.

The Chief Executive Officer for Asco Motors, Mr Ronald Kumar, mentioned, "Asco Motors recognizes the importance of sport in the Fijian community and has always been an avid supporter of these events for the betterment of society and to build a more meaningful connection with the local community."

Toyota is one of the leading sponsors of the Olympic and Paralympic Games in the mobility category, which includes vehicles, mobility services and mobility solutions.

The Fiji Sports Awards is an opportunity for the sporting – and wider – community to celebrate the talent and successes of our sportsmen and women in Fiji.

The Organizing Committee thanked ASCO Motors for their continued support of the Fiji Sports Awards and their commitment to promoting excellence in sports.

Asco Motors has been a FASANOC Partner since 2017.
