

Statement to the South Pacific Stock Exchange 25th May, 2023 Appointment of a new Director

Communications Fiji Ltd announced the appointment of Mr Peter Aitsi MBE to the board of Communications Fiji Ltd (CFL)

Board Chair Mr William Parkinson said today that Mr. Aitsi's appointment is longoverdue "Peter has had a long association with CFL starting with his appointment in 1994 as a founding executive officer of PNGFM Ltd the company's Papua New Guinea subsidiary. Following his departure from the company Mr Aitsi became Director and the Chairman of PNG FM Ltd. We have wanted to formally appoint him, as Chair of our PNG FM subsidiary, to the CFL Group board for some time but were prevented by the, now repealed, Media Industry Development Act. This move further strengthens ties across the Group assisting our objective to maximise use of CFL group resources across both our Fiji and Papua New Guinea operations".

Peter Aitsi is a well recognised and respected leader in the Papua New Guinea business community serving currently on a number of corporate boards and having received a number of awards including MBE for his services to the development of the Media Industry in Papua New Guinea. He is also well known for his work in promoting freedom of expression and human rights and is currently Chairman of Transparency International PNG.
