For Immediate Release

Port Denarau Marina debuts at the Fort Lauderdale International Boat Show

In late October 2023, Port Denarau Marina, in partnership with Tourism Fiji, made a spectacular debut at the Fort Lauderdale International Boat Show, creating waves of excitement in the maritime world. This remarkable occasion unfolded within the USSA Pavilion at the Bahia Mar Yachting Center, adorned with the South Pacific banner, and in collaboration with Superyacht Australia. It marked a significant milestone in positioning Fiji as a premier Superyacht destination, not only in the USA but worldwide.

The Fort Lauderdale International Boat Show served as the perfect stage to showcase the beauty and charm of Fiji's destination, its rich culture, and a wide array of offerings tailored exclusively to the discerning Superyacht market. The event was met with tremendous success, fostering productive interactions with charter brokers, boat builders, captains, and industry leaders.

One of the standout achievements of the event was the enthusiastic response from the Superyacht community. A number of Superyacht captains have expressed their strong desire to visit Fiji, allured by its enchanting appeal and maritime allure.

An extraordinary highlight was Tourism Fiji's privilege to serve as destination sponsors at the prestigious International Superyacht Society Design and Gala awards, hosted at the iconic Ritz Carlton. This remarkable recognition accentuated Fiji as a captivating and unforgettable destination, solidifying its reputation as a showstopper on the Superyacht map. The event celebrated exceptional achievements in the industry, with the annual Design & Leadership Award Gala honoring leading figures and innovations in various sectors, including design, yacht brokerage, and management.

Port Denarau Marina and Tourism Fiji eagerly anticipate further collaboration, with a steadfast commitment to establishing Fiji as a prominent name in the Superyacht market. An interesting fact that underscores Fiji's appeal is that the second-largest number of vessels arriving in Fiji are US-flagged, underscoring the strong connection between Fiji and the USA in the world of maritime travel.

The resounding success of Port Denarau Marina and Tourism Fiji's debut at the Fort Lauderdale International Boat Show highlights the growing interest and admiration for Fiji's Superyacht potential. This achievement sets the stage for a promising future in this dynamic and vibrant industry.

Yours faithfully,

Two handwritten signatures in blue ink, each with a horizontal line underneath and the word "Director" printed below.

About Port Denarau Marina

Denarau Island in Fiji, about 20 minutes by car from Nadi International Airport, is home to the widely acclaimed Port Denarau Marina. Since it acts as the gateway to the Mamanuca and Yasawa Group, Port Denarau Marina, in the heart of the integrated Denarau Island, serves as the beginning point for visiting our gorgeous, sun-drenched tropical isles off the west coast of Fiji.

In addition to having an international 18-hole golf course and being close to several international hotels, Port Denarau Marina is also a part of the biggest shopping and dining complex in the Nadi region.

The marina complex is the hub of yachting activity in Fiji and is reached by a clearly designated channel that is 5 meters deep at low tide.

The marina has excellent weather protection. The basin has 56 commercial berths, 16 swing moorings, and 56 fully serviced private berths, 20 of which can accommodate superyachts up to 85 meters in length. The dock provides internet, single-phase and three-phase power, fuel, and water. A haulout facility with a 30-ton travel lift, a hard stand area, and marine workshops are also part of the facility.

Provisioning is simple thanks to the grocery, pharmacy, and bakery at the end of the dock and the close proximity of Nadi and Namaka by bus or taxi. Port Denarau is perfectly situated to serve as a stopover for relaxation, entertainment, and resupply while you are traveling through the Fijian Islands.

Port Denarau Marina is a publicly traded company on the South Pacific Stock Exchange. See our Facilities & Services for more detailed information on our products and services (www.denaraumarina.com)
