It is with deep sorrow and a heavy heart that we share the news of the passing of Mr. Diwan Maharaj, one of the founding directors of Sun Insurance Company Ltd. Mr. Maharaj left us on Saturday, November 16, 2024, a poignant year that marks 25 years since the establishment of our company. Just two days before his passing, he participated in his last board meeting, reflecting his unwavering commitment to the organization he helped build.

Together with the late Mr. Mahendra Sharma and current Chairman Padam Lala, Mr. Maharaj founded Sun Insurance Company in 1999 with a profound vision to create a Fijian-owned insurance provider that prioritizes exceptional customer service and affordable insurance solutions for the people of Fiji.

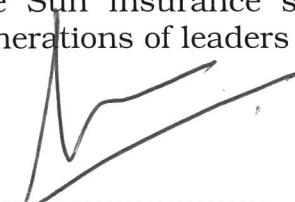

“Diwan will be remembered as a generous, highly ethical, and assertive leader with an astute business sense,” expressed Padam Lala, Chairman of Sun Insurance Company. “His vision of Sun as a provider of affordable insurance solutions laid the groundwork for what we have become today. He truly embodied the spirit of our company and will be deeply missed by all of us.”

Mr. Maharaj served on the board from the inception of the company, playing a pivotal role in its growth and success. His leadership and vision were central to our journey, culminating in Sun Insurance becoming a publicly listed company. His contributions have left an indelible mark, not only on our organization but also on the broader community we serve.
