Kontiki Finance Limited (KFL) Announces Dividend Reinvestment Price

As announced through the South Pacific Stock Exchange on 20th October 2023, Kontiki Finance Limited (KFL) declared a \$0.01 (one cent) per share first quarter interim dividend. For any KFL share trades that happen from now until 3rd November 2023, the buyer will be entitled to receive the dividend. For any trade happening after 3rd November 2023, the seller will still be entitled to receive the dividend.

Under KFL's Dividend Reinvestment Plan, shareholders have the opportunity to reinvest the dividend into additional shares of KFL.

The Reinvestment Price will be **\$0.98 per share**. The Reinvestment Price is set at a **5% discount** to the average share price over the month prior to the dividend announcement.

Reinvestment into additional shares can be made without paying any brokerage fees or levies.

Shareholders who elect to participate in the reinvestment plan will receive newly issued shares. The number of shares will be equal to the total amount of dividend to which the shareholder is entitled (\$0.01 multiplied by the number of shares owned) divided by \$0.98. The number of shares will be rounded down to the nearest whole number.

Everyone who is registered as a shareholder in KFL as of 9th November 2023 can opt for the re-investment plan.

Shareholders who wish to amend their previous choice must return the Election Form to the KFL Company Secretary company.secretary@kontikifinance.com by the close of business on 3rd November 2023.

The Dividend Reinvestment Election Form is attached.
