Re: Change in Office of External Auditor

Pacific Green Industries (Fiji) Limited (PGI) wishes to announce a change in its external auditor.

At our Annual General Meeting held in June 2024, PricewaterhouseCoopers (PwC) was reappointed as PGI's external auditor for the financial year ending December 31, 2024. However, in November 2024, PwC informed PGI that its local network would transition to Grant Thornton, effective December 7, 2024.

PwC has assured PGI that this transition will not affect the quality of their services. The same engagement team will continue to work with clients, maintaining the high standards of service and professionalism that PGI has consistently experienced.

The PGI Board of Directors has accepted this transition and recognizes the dedication and expertise demonstrated by the audit team over the years. PGI remains committed to upholding transparency, accountability, and adherence to best practices in financial reporting, ensuring no disruption to our stakeholders.
