Asco Motors Fiji Recognised as CPA Australia Employer Recognised Partner

Date: 27 November 2025

Asco Motors Fiji is pleased to announce that it has been officially recognised as a CPA Australia Employer Recognised Partner, marking a significant milestone in the company's commitment to professional development and governance excellence.

This recognition confirms that Asco Motors meets international standards of excellence in employee development and support, particularly in the financial and accounting disciplines. The partnership with CPA Australia strengthens the company's capability to build future-ready skills, create structured career pathways, and support lifelong professional growth for its employees.

Mr Ronald Kumar, CEO & Director of Asco Motors, stated: "This achievement reflects our dedication to global best practices and positions Asco Motors as a leader in developing financial professionals in Fiji and the region."

The recognition aligns with Asco Motors' Vision 2030, which focuses on innovation, sustainability, and creating value for society. With over 60 years of presence in Fiji and a strong portfolio of globally respected brands, Asco Motors continues to invest in its people as its most significant competitive advantage.
