
SPX MARKET NOTICE

28 November 2024

ADDITIONAL QUOTATION OF 123,082 KFL SHARES

Kontiki Finance Limited (SPX: [KFL](#)) has quoted an additional 123,082 shares at \$1.02 per share on the South Pacific Stock Exchange (SPX) trading platform as part of its Dividend Reinvestment Plan (DRP).

During the DRP, existing shareholders had the opportunity to acquire new shares without incurring any transaction costs at \$1.02 per share, a 4% discount to KFL's prevailing market price. KFL declared an interim dividend of \$0.01 per share on 25th October 2024 amounting to a total dividend pay-out of \$940,631.

KFL currently holds a market capitalization of \$100,736,156, representing 2.83% of the total SPX market capitalization, with 95,034,109 shares now quoted at a price of \$1.06 per share on the SPX trading platform.

DRP's are a useful mechanism for listed entities to encourage investor loyalty and enhance shareholder engagement. Provision of this platform attracts a wider pool of long – term investors who are primarily focused on maximising dividends through reinvestments as opposed to seeking capital gains. DRP's are mutually beneficial for both the investor and the listed entity as investors get to build on respective portfolios and build larger stakes while listed entities enjoy a consistent base of long – term, engaged shareholders.
