Fiji Showcase 2026 Delivers Record Attendance

Communications Fiji Limited (CFL) is pleased to announce that the 2026 Fiji Showcase has achieved its highest attendance on record, with 101,841 visitors passing through the gates over the nine-day event.

This surpasses the previous record of 97,265 visitors, set in 2025, representing an increase of 4,576 visitors, or approximately 4.7%.

The record turnout reflects the continued Growth of Fiji Showcase as the country's premier consumer exhibition and entertainment event. The strong public response was supported by an outstanding mix of exhibitors, entertainment, family attractions, food vendors and community participation.

CFL Chairman William Parkinson said the result demonstrates the strength of the Fiji Showcase brand and the dedication of everyone involved in delivering the event.

"Breaking the 100,000 visitor milestone is a tremendous achievement and a testament to the hard work of our team, exhibitors, sponsors, partners and the thousands of visitors who continue to support Fiji Showcase year after year. We thank everyone who contributed to making this year's event our most successful yet."

The Company also acknowledges the valued support of its listeners, exhibitors, sponsors, various vendors and contractors, and the venue provider, Fiji Sports Council, whose collective contribution helped ensure another safe and successful event.

The final financial results from Fiji Showcase 2026 will be incorporated into CFL's financial reporting for the first six month of the year.
