

Port Denarau Marina Gold Sponsor for inaugural South Pacific Superyacht Rendezvous

Fiji's leading marina, Port Denarau, has confirmed its support for the inaugural South Pacific Superyacht Rendezvous as a Gold Sponsor.

Port Denarau Marina is a key location for superyachts in the South Seas. Boasting more than 50 berths for vessels measuring up to 85 meters, the marina plays an important role in hosting international visitors and supporting the local maritime community.

Through its involvement in the South Pacific Superyacht Rendezvous, Port Denarau strengthens its longstanding relationship with event host The Superyacht Gathering and demonstrates its commitment to promoting the charms of Fiji's cruising grounds to the international superyacht industry.

CEO Cynthia Rasch commented, "Port Denarau Marina is committed to supporting the inaugural South Pacific Superyacht Rendezvous as Gold Sponsors. We are excited to be part of this prestigious event and to contribute to its success. As Gold Sponsors, we are dedicated to showcasing excellence in the superyacht industry and promoting the beauty of the South Pacific region. This event presents an invaluable opportunity to connect with industry leaders, enthusiasts, and stakeholders, and we are honored to play a significant role in it. We look forward to a fruitful collaboration and an unforgettable event."

In addition to being a Gold Sponsor, Port Denarau will serve as the starting point of the first regatta of the Rendezvous on August 28th, with a captains' briefing at Cardo's Restaurant beforehand.

The marina joins fellow sponsors Tourism Fiji, Yachting Fiji, Tahiti Tourism, and Southport Yacht Club, who have all contributed to bringing this exciting new event to life.

Taking place from August 27th to 30th, 2024, this event will be the first of its kind for the region. The Rendezvous invites superyacht owners of sailing and motor yachts measuring 22 meters and above to participate in three days of friendly racing around the stunning Malolo Islands, interspersed with relaxed, barefoot beach parties each afternoon.

An eclectic mix of venues around the Fijian islands will host the event, including the 5-star Six Senses Resort, The Sofitel on Denarau Island, and Vuda Marina.

The Rendezvous is hosted by The Superyacht Gathering, an organization founded in 2019 as a platform for building connections within the South Pacific superyacht community. Events orchestrated by Founder Linda Berry have included symposiums and gatherings held in Fiji and New Zealand, but 2024 will see the launch of her first official Rendezvous.

About Port Denarau Marina

Denarau Island in Fiji, about 20 minutes by car from Nadi International Airport, is home to the widely acclaimed Port Denarau Marina. Since it acts as the gateway to the Mamanuca and Yasawa Group, Port Denarau Marina, in the heart of the integrated Denarau Island, serves as the beginning point for visiting our gorgeous, sun-drenched tropical isles off the west coast of Fiji.

In addition to having an international 18-hole golf course and being close to several international hotels, Port Denarau Marina is also a part of the biggest shopping and dining complex in the Nadi region.

The marina complex is the hub of yachting activity in Fiji and is reached by a clearly designated channel that is 5 meters deep at low tide.

The marina has excellent weather protection. The basin has 56 commercial berths, 16 swing moorings, and 56 fully serviced private berths, 20 of which can accommodate superyachts up to 85 meters in length. The dock provides internet, single-phase and three-phase power, fuel, and water. A haulout facility with a 30-ton travel lift, a hard stand area, and marine workshops are also part of the facility.

Provisioning is simple thanks to the grocery, pharmacy, and bakery at the end of the dock and the close proximity of Nadi and Namaka by bus or taxi. Port Denarau is perfectly situated to serve as a stopover for relaxation, entertainment, and resupply while you are traveling through the Fijian Islands.

Port Denarau Marina is a publicly traded company on the South Pacific Stock Exchange. See our Facilities & Services for more detailed information on our products and services (www.denaraumarina.com)
