About Port Denarau Marina

Denarau Island in Fiji, about 20 minutes by car from Nadi International Airport, is home to the widely acclaimed Port Denarau Marina. Since it acts as the gateway to the Mamanuca and Yasawa Group, Port Denarau Marina, in the heart of the integrated Denarau Island, serves as the beginning point for visiting our gorgeous, sun-drenched tropical isles off the west coast of Fiji.

In addition to having an international 18-hole golf course and being close to several international hotels, Port Denarau Marina is also a part of the biggest shopping and dining complex in the Nadi region.

The marina complex is the hub of yachting activity in Fiji and is reached by a clearly designated channel that is 5 meters deep at low tide.

The marina has excellent weather protection. The basin has 56 commercial berths, 16 swing moorings, and 56 fully serviced private berths, 20 of which can accommodate superyachts up to 85 meters in length. The dock provides internet, single-phase and three-phase power, fuel, and water. A haulout facility with a 30-ton travel lift, a hard stand area, and marine workshops are also part of the facility.

Provisioning is simple thanks to the grocery, pharmacy, and bakery at the end of the dock and the close proximity of Nadi and Namaka by bus or taxi. Port Denarau is perfectly situated to serve as a stopover for relaxation, entertainment, and resupply while you are traveling through the Fijian Islands.

Port Denarau Marina is a publicly traded company on the South Pacific Stock Exchange. See our Facilities & Services for more detailed information on our products and services (www.denaraumarina.com)
