EXPLANATORY MEMORANDUM

This explanatory memorandum forms part of the notice of meeting and contains information about the resolution contained in the notice of meeting. You should read the notice of meeting and this explanatory memorandum carefully.

1. Background

Skeggs Group Limited (**SGL**) holds 17,208,374 ordinary shares in the Company, being 43.02% of the total issued capital.

SGL intends to sell:

- (a) 9,400,000 of its shares, being 23.5% of its shares, to Fijian Holdings Limited (**FHL**), and
 - (b) 7,808,374 of its shares, being 19.52% of its shares, to FHL Trustees Limited (**FHLTL**)
- (the **Proposed Transaction**). The Company and FHL are listed companies.

FHL transaction

Since FHL currently holds 27.50% of the issued capital, the Proposed Transaction will increase FHL's holding in the Company to 51%, such an acquisition is otherwise prohibited by s.252(1) of the *Companies Act 2015* (Fiji) (**Act**) unless approved by virtue of s.252(2)(n) of the Act.

Section 252(2)(n) of the Act provides that a person may acquire a *relevant interest*¹ in a listed company where the acquisition is approved by a Special Resolution passed at a General Meeting of the Company before the acquisition takes place, with no votes being cast in favour of the resolution by the person who proposes to make the acquisition or a related body corporate.

FHLTL transaction

FHLTL as trustee for Fijian Holdings Unit Trust (**FHUT**) currently holds 0.11% of the issued capital in the Company and the Proposed Transaction will increase FHLTL's holding in the Company from 0.11% to 19.63%.

As FHL and FHUT are existing shareholders in the Company, they cannot vote on the proposed resolution.

Under the terms of the Share Sale Agreement(s) entered by the parties with SGL, the transactions are tied such that one cannot complete, without the other. Completion of the Proposed Transaction is also subject to additional regulatory approvals.

Accordingly, the Directors of the Company have called the Meeting of the Company to consider, and if thought fit, approve the Proposed Transaction by special resolution in accordance with the requirements of section 252(2)(n) of the Act.

¹ defined in section 253 of the Act as holding above 30% of the voting power in the Company

2. Proposed Transaction

SGL is a New Zealand private family company of the Skeggs family, founded by the late Sir Clifford Skeggs in 1952. Given changing family interests, SGL has taken steps over the last few years to divest its interests in Fiji and focus on its New Zealand interests.

On 29 May 2025, SGL and FHL entered into a conditional agreement for the Proposed Transaction. The completion of the Proposed Transaction is subject to the satisfaction of various conditions, including obtaining regulatory approvals and shareholder approval under section 252(2)(n) of the Act.

The Proposed Transaction aligns with SGL's intention to rationalise its investments as part of an internal restructure. FHL is an existing shareholder in the Company and the Proposed Transaction strongly aligns with FHL's investment strategy.

Simultaneously, SGL entered into a conditional agreement with FHLTL for the sale of SGL's remaining 7,808,374 shares in the Company.

3. About FHL

FHL was incorporated in 1984 to fulfil the objectives of the leaders of the iTaukei people of Fiji, creating an entity that meaningfully represented the iTaukei in the business sector and ensured their meaningful participation in the Fiji economy. FHL is an investment company 100% owned by indigenous Fijians and is listed in the South Pacific Stock Exchange (**SPX**) with investments in number of Fijian companies.

FHL's shareholders include:

- (a) iTaukei Affairs Board
- (b) iTaukei Trust Fund Board
- (c) iTaukei Land Trust Board
- (d) Provincial, district (tikina) and village groups
- (e) iTaukei co-operatives, and
- (f) iTaukei individuals and family companies.

Through FHL's investments, these iTaukei shareholders are brought into mainstream Fijian economy. FHL is a diversified investment holdings company with interests in manufacturing, building and construction, tourism, property, financial services, media and communications and retail industries. The tourism sector represents 28.1% of FHL's total investment portfolio².

4. About FHLTL

FHUT is a diversified income and growth managed investment scheme, regulated by the Reserve Bank of Fiji (**RB**F). FHLTL is the trustee of FHUT and FHL Fund Management Limited, a wholly owned subsidiary of FHL, is the manager of FHUT.

5. The Proposed Transaction

FHL and FHUT have offered the following as merits of the Proposed Transaction in respect of the Proposed Transaction:

² FHL Annual Report 2024

- **Public benefit** – the Proposed Transaction will see the transition from foreign family-owned ownership to Fijian owned ownership of interests in critical tourism infrastructure. This will have significant effect for foreign reserves (dividends will be paid locally), economic sovereignty, indigenous economic participation and sustainable tourism development.
- **Strategic Alignment** – FHL and FHUT's strategy focuses on five critical areas: Investing for Impact, Future-Proofing Core Investments, New Investments, Digital Transformation and Corporate Culture. The Proposed Transaction aligns with FHL and FHUT's strategy and will place majority ownership with an entity with deep commitment to Fiji's economic development.
- **Support For Growth** – FHL intends to leverage its relationships, network and resources to identify new business opportunities for the Company in the long term. FHL's ownership structure creates strong incentives for long-term sustainable development, greater support for local suppliers and maintaining employment. As an institutional investor, FHL has demonstrated its commitment to long-term asset development and through its access to capital markets, it has demonstrated capacity to access capital for infrastructure investment.
- **Status Quo Governance** - PDML will continue to maintain operational independence with its own board, management, commercial objectives and customer relationships. The proposed change in major shareholding is not expected to impact day-to-day operations or the Company's strategic direction in the immediate term. The Company's listed corporate structure also provides transparency and accountability mechanisms that ensure the Company's operations remain commercially focused.

6. **Proposal**

Having reviewed and considered the terms of the Proposed Transaction along with the rationale for and merits of the Proposed Transaction, the members are asked to vote on the proposed Special Resolution.
