Pleass Global Ltd (SPX Code PBP)****Fire Incident Pleass Global Limited 8th May 2024**

A fire was detected in a storage shed at the rear of our property at 7.05pm 8th May, 2024. The evening shift staff enacted the fire plan utilising fire extinguishers, fire balls and our in-house hydrant system and contained the blaze until the National Fire Authority arrived to assist. The fire was fully extinguished, and no injuries were sustained. We are extremely proud of the swift and effective actions taken by our teams and grateful for the support from NFA. The fire had no impact on our production facility and we are running normal operations today. The relevant authorities have been notified and investigation will be conducted by NFA and our insurers.
